

## ANIMALS

In the inner courtyard you can observe the animals closely in an enjoyable and safe environment. Children are able to touch and interact with the animals, experiencing the sounds and smells of a small farm.

All of our animals have been picked for their docile, friendly natures.

## PLAYBARN

Situated inside our courtyard is our farmyard themed indoor soft Playbarn, offering a safe environment for "rough and tumble!"

Plus you can enjoy our great food, hot drinks and home made cakes in our Playbarn Café!

## COURTYARD CAFÉ

Our Courtyard Café provides an appetizing selection of meals and refreshments throughout the year, with its evolving menu reflecting the seasons and the products sold in the shop.

Wherever possible, we source our products and ingredients locally. Old Holly Farm's free range, organically fed chickens provide the eggs for both the shop and kitchen.
